

Here is how

to Continue Your First State Bank Debit Card

OVERDRAFT COVERAGE.

Your First State Bank Debit Card has a special feature called COURTESY OVERDRAFT LIMIT. Soon we will no longer be able to provide this coverage automatically, unless you tell us you want to keep it by Opting In.

THIS CHOICE IS YOURS!

If you choose to Opt IN, your debit card will work as it currently does. If you Opt Out or we don't hear from you by August 15, 2010 we will no longer be able to provide this coverage automatically for everyday debit card transactions and ATM withdrawals.

To Opt IN you may call any First State Bank branch:
